

# Benefits for Mid-Sized Businesses

## It's easy to get great coverage, plus a whole lot more

With more than 100 years serving California businesses, a policy from State Fund offers expertise built upon honesty, integrity, and accountability. Our unparalleled service stems from our values and the dedicated team of specialists ready to assist you.

As your business grows, our team will help you develop a dynamic workers' compensation program designed specifically for you. Our specialists provide regional and local expertise, and are always available to guide you through any aspect of your workers' compensation coverage.

### Our services include:

- Dedicated Claims Liaison
- Safety & Health consultations
- Introductory visit with a Payroll Auditor
- Customized performance and service review

*The difference is in who we are  
and what we do!*

**Together, we'll keep California working.**
